

A man with short brown hair and a slight smile, wearing a red and black plaid shirt over a dark t-shirt, stands against a green background. He is holding a large shovel with a wooden handle and a metal head that is covered in dark soil. In his other hand, he holds a small potted evergreen tree. The scene is framed by a white border with a distressed, hand-drawn appearance.

ONECALL**

CLICK BEFORE YOU DIG

applies to every job, big or small.

Whether you're building a fence, putting in a pool, planting a tree or digging a new garden, you need to contact Ontario One Call.

HERE'S HOW IT WORKS

CONTACT

At least 5 days before you dig, submit a locate request at OntarioOneCall.ca. We will notify underground infrastructure owners that you plan to dig.

LOCATE

Locators from each underground infrastructure owner will come out to **locate the buried lines & cables.**

DIG

Dig safely. **Respect the marks and follow the instructions that are provided.**
