Annual Credit

Each member will start the year with a five hundred dollar (\$500) credit on their account (assuming a zero balance). Members will receive invoices monthly, but would not have an amount owing until they are no longer in a credit position. If a portion of the Annual Credit remains at the end of the year it will not be paid out, however all members' \$500 credit will be reset at the start of the following year.

Municipalities

As per the incentive program offered in 2014 – insofar as municipalities received one month's exemption from paying fees in 2015 for each month they signed up before the June 2014 mandatory registration date – municipal members will begin paying fees as per the schedule "Municipal Billing Calendar".
